Terrabase Christmas Greetings

Remember us? We provide off-the-shelf and bespoke software solutions for the business community.

Tony Harris
(Managing Director)

"We hope you're looking forward to the New Year. There are some amazing new technologies coming out soon (e.g. [Apollo](#) - see our [blog](#)). Once we've finished our Christmas cake, we'll be just desperate to get our teeth into it (Christmas 'cheese' surely - Ed). Have a good one."

Happy Christmas
